17 February 1982

MEMORANDUM FOR: Director of Central Intelligence
FROM : SA/IA
SUBJECT : Materials on Instability and Insurgencies

1. I am sorry I missed your call yesterday. Joe informed me that you are interested in reviewing last September's NIE on instability as well as your Congressional testimonies.

2. Included in this package are copies of the following:

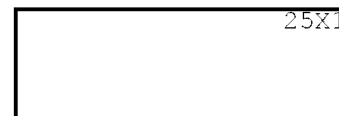

- your talking points on covert action used with HPSCI on 17 September 1981;
- your statement before the HAC Defense Subcommittee on covert action on 26 January 1982; and
- ~~the~~ the NIE on Political Instability and Regional Tensions.

3. Joe mentioned that you had raised this issue in conjunction with your scheduled meeting with Secretary Weinberger Friday morning. If you wish to use this material for that meeting, I will put it in your breakfast book, which I plan to have for you tomorrow afternoon.

4. You asked yesterday also for some material for your meeting with Joseph Fromm of US News and World Report. Bob Gates is pulling that together, and I have asked that it be ready for you by 5:00 today.
